RECEIVED

Dear Dr. Ilkevych,

In reply to the telegram from [illegible], reference A(PS4)/474, forwarded to me with your letter of the 3rd June, 1948, I have informed you verbally that I have enquired of our authorities whether they have any objections to the release of Mrs Paul JAEN and Gerhard SPANNAR.

As I have as yet received no answer from Prague, I have to ask you to keep these persons in custody until further notice.

The other persons mentioned in the telegram have not been charged by the Czechoslovak Government.

Adverting to your letter of the 25th June, 1948, I am able to inform you that there are no objections to the release of Gustav [illegible], Gertrud [illegible] and Maria [illegible]. You informed me a few days ago personally that in the trial against the staff of the Concentration Camp Neuraahm-Heferek, two Maria [illegible] and Gerard [illegible] were also acquitted. There are no objections either on the part of the Czechoslovak Government to their release.

Yours sincerely,

Dr. H. Mayr-Harting.

Dear Dr. Liberski,

In your letter of 17th October last, you asked to ascertain from my Government whether they would have any objection to the release of seven members of the Belsen Unit from Court Cage, in the event of their being requested to give certain evidence.

I have now been informed that my Government would not, in the circumstances, have any objection to their release, unless some other charge of a grave nature came to light in the meantime.

Yours sincerely,

Regret that I cannot identify SCHULZE, Fritz with any listed person.

a. SCHULTZ, SCHULZ, SCHULZE are very common on UNWCC Lists.
b. There is a SCHULZ, Fritz wanted by Poland
charge 404 List 44:490
c. The SCHULZE, Fritz, about whom information is sought, is probably charged by The U.K.
There are two SCHULZEs wanted by The U.K., whose age is similar to that of SCHULZE, Fritz: (16.3.1898)
SCHULTZ List 30:464 (Age abt. 50)
SCHULTZ " 27: 79 (" 45 - 50)

d. There are many SCHULZE, SCHULZ, or SCHULZE with no Christian name.
